

# Next Steps for the Study

***Step 1: Refine retained concepts***

***Step 2: Complete Tier 3 concept screening***

***Step 3: Prioritize recommended improvements***

***Step 4: Identify potential funding needs***

***Step 5: Document recommendations in the PEL Report***

The Study is expected to be completed in August 2014 and a Project Newsletter will be provided and posted to the website at the completion of the Study that identifies the Recommended Concept(s).
